AMENDMENT

In response to the last Office Advisory Action mailed on 2/22/2006, the applicant would like to cease the appointment of ***Fish & Richardson P.C.*** to conduct all business about the application. Besides, the applicant will respond by himself to the Office Advisory Action and make following argument.

REMARKS

1. The Office Advisory action mentioned that "in response to applicant's arguments, the new pore size range of 0.4 to 20 microns constitutes new
